1). Add these two numbers

```
    1      2
+
    2      2
_____

_____
```

2). Add these two numbers

```
    1      9
+
    8      1
_____

_____
```

3). Add these two numbers

```
    9      2
+
    8      3
_____

_____
```

4). Add these two numbers

```
    1      3
+
    6      4
_____

_____
```

5). Add these two numbers

```
    1      7
+
           2
_____

_____
```

6). Add these two numbers

```
    9      2
```

+
    5   0

_____

_____

7). Add these two numbers

    2   8

+

    1   1

_____

_____

8). Add these two numbers

    7   0

+

    7   6

_____

_____

9). Add these two numbers

    2   3

+

              4

_____

_____

10). Add these two numbers

    1   0

+

    8   7

_____

_____

11). Add these two numbers

    6   5

+

    7   2

_____

_____

12).   Add these two numbers

      7   9

\+

                  1

_____

_____

13).   Add these two numbers

      3   2

\+

      2   2

_____

_____

14).   Add these two numbers

      8   1

\+

      5   3

_____

_____

15).   Add these two numbers

      8   3

\+

      3   4

_____

_____

16).   Add these two numbers

      8   1

\+

      5   8

_____

_____

17). Adding doubles

```
        0       6
+
                6
_____

_____
```

18). Add these two numbers

```
        9       3
+
        5       5
_____

_____
```

19). Add these two numbers

```
        7       2
+
                7
_____

_____
```

20). Add these two numbers

```
        6       4
+
        1       2
_____

_____
```
